

WE INVITE YOU TO PARTICIPATE!

The concept of a multi-treatment facial defects – from function to aesthetics

ORTHOGNATHIC CONFERENCE

Poland, Olsztyn 28-30 May 2015

Ladies and Gentlemen, Dear Colleagues and Dear Friends,

Due to last year's success and great interest, we are delighted to invite you for a second Orthognathic Conference, to be held on 28-30 of May 2015 in Olsztyn, Poland. In addition to the main event, this year's program includes a series of pre-Conference workshops.

This conference aims to present *The concept of a multi-treatment facial defects – from function to aesthetics*, but its main objective is to offer specialists in the field of orthodontics, maxillofacial surgery and other specialisation a platform to exchange ideas and strengthen cooperation. We believe that close cooperation and multidisciplinary engagement leads to a much more effective treatment of craniofacial defects, improves patient support and satisfaction.

Olsztyn is the capital of Warmia and Mazury province, one of Poland's largest tourist regions. Its privileged location in the heart of Poland's lakes region makes Olsztyn a most sought refuge for tourists from home and abroad.

So, let's plan an extended stay in Olsztyn and take the time to visit the old town and enjoy the wonders of the charming Polish lakes region.

See you in Olsztyn,

The Scientific Committee of the Conference of Orthognathic
Wojewódzki Specjalistyczny Szpital Dziecięcy w Olsztynie Centrum
Leczenia Wad Twarzoczaszki i Chirurgii Szczękowo-Twarzowej
